RE: Site Inspection, Four Corners Mine, San Rafael Energy, Inc., M/015/014, Emery County, Utah

Date of Inspection: July 11, 1991

Time of Inspection: 2:00 p.m. - 2:15 p.m.

Conditions: Hot, sunny

Participants: Neil Simmons, BLM; Holland Shepherd, DOGM

A quick visit was made to the Four Corners mine site to very briefly evaluate the reclamation success on the site. Portions of the site were reclaimed about two years ago and reseeded. It was the intention of the operator to reduce the size of the mine site and reduce the bond. Several waste dumps were regraded and reseeded as part of this reclamation.

There has been no successful revegetation on the mine site at this time.
